

User: hi chat tell me a joke

ChatGPT: Why don't scientists trust atoms?Because they make up everything!

User: haha okay, gimme one more

ChatGPT: Why don't skeletons fight each other?They don't have the guts!

User: tell me what actions I should do to save my life in case of Air alert. Give bullet points, stay concise and start your response already with 1... 2... without any sum-up talks. Go!

ChatGPT: 1. Listen for official alerts from local authorities2. Stay indoors and close all doors and windows3. Turn off air conditioners, heaters and other air exchange systems4. Seal all possible sources of air infiltration such as windows or doors5. Close chimneys and fireplace dampers6. If available, seal the interior area with duct tape and plastic sheeting7. Prepare an emergency kit with food, water and essential supplies8. Wait for instructions from authorities and do not leave until the all-clear is given

User: rewrite it in 4 bullet points
